CHM 233 : Fall 2015
Quiz #14

Question 1
There are NO INCORRECT answers to this question, ALL answers to this question will be considered correct for grading purposes
Which best describes your approach to the CHM233 AM this class this semester:
A  I registered for the regular/onground class and I attended most of the lectures in person
B  I registered for the regular/onground class and I watched most of the lectures online
C  I registered for the online/hybrid class and I attended most of the lectures in person
D  I registered for the online/hybrid class and I watched most of the lectures online

Question 2
There are NO INCORRECT answers to this question, ALL answers to this question will be considered correct for grading purposes
How helpful was the homework website to your learning?
A  - Extremely helpful, I would have learned very little without it
B  - Very helpful, I learned a lot using it
C  - Fairly helpful, it helped my learning
D  - Not very helpful, I am not sure that this is the best way for me to learn this material

Question 3
There are NO INCORRECT answers to this question, ALL answers to this question will be considered correct for grading purposes
Compared to other web-based homework sites you may have used in other classes (e.g. Mastering Chemistry, Sapling Learning, Webassign etc), how would you rate our homework site?
A  - It is much better than the other sites I have used
B  - It is somewhat better than the other sites I have used
C  - It is about the same as other sites I have used
D  - It isn't as good as the other sites I have used
Question 4
There are NO INCORRECT answers to this question, ALL answers to this question will be considered correct for grading purposes
Every time you clicked the "I got it correct" button, what did that really mean?
A - Every time I really did get the problem 100% correct and was 100% confident that if I went back and didn’t remember the answer I would get the problem 100% correct with no help
B - Most of the time I got the problem correct and I was pretty confident that if I went back and didn’t remember the answer I would get the problem correct with no help
C - I looked at the answer, understood it and then clicked "correct"
D - I clicked "correct" almost every time even if I didn't get most of the problems correct

Question 5
There are NO INCORRECT answers to this question, ALL answers to this question will be considered correct for grading purposes
What would you say was your NUMBER ONE MOST IMPORTANT TOOL for doing well on the organic chemistry exams this semester?
A - Attending/watching the lectures as they were presented
B - Having access to the recorded lectures
C - Using the homework website
D - Attending/watching the review sessions

Question 6
There are NO INCORRECT answers to this question, ALL answers to this question will be considered correct for grading purposes
The class has a Facebook page. How useful was this Facebook page to you this semester?
A - Very useful
B - Quite Useful
C - Only occasionally useful
D - Not useful
Question 7
There are NO INCORRECT answers to this question, ALL answers to this question will be considered correct for grading purposes
How often did you READ or CHECK FOR posts on the class Facebook page this semester?
A - At least every couple of days or so
B - Probably once a week or so
C - Occasionally, probably less than once a week
D - I didn’t read the class Facebook page at all

Question 8
There are NO INCORRECT answers to this question, ALL answers to this question will be considered correct for grading purposes
How often did you ACTUALLY POST OR COMMENT on the class Facebook page this semester?
A - Once a week or so
B - Occasionally, several times this semester
C - Almost never, just once or twice
D - I didn’t post or comment on the class Facebook page at all

QUESTION 9
There are NO INCORRECT answers to this question, ALL answers to this question will be considered correct for grading purposes
What overall final grade do you expect to earn in this class?
A
B
C
D

QUESTION 10
There are NO INCORRECT answers to this question, ALL answers to this question will be considered correct for grading purposes
How hard did you work on organic chemistry this week (not including watching/attending lectures)
A Very Hard
B Hard
C Somewhat Hard
D Not very Hard this week
